

# Coopers Gap

## WIND FARM

**The Coopers Gap Wind Farm is helping reduce Australia's carbon footprint by generating enough clean energy to power up to 232,000 Queensland homes per year.**

This newsletter includes updates on what is happening on site, an update on the Coopers Gap Community Fund, the Cooranga North Christmas party, and the Big Blade.

## What's happening on-site?

Over the past year, Coopers Gap Wind Farm has been a powerhouse of clean energy, generating an impressive 1,280 GWh! That's enough to light up 198,000 households and keep 1,137,000 tonnes of CO2 out of our atmosphere.

If you've noticed some activity around the site, it's because our dedicated maintenance team has been hard at work. Their proactive efforts included replacing generators, gearboxes, transformers and blades, ensuring everything runs smoothly and efficiently.

## A Big Blade for Bell

On Saturday, 16 November, the 22,339kg and 67m long 'Big Blade' was unveiled in Bell. The event featured games, a jumping castle, a sausage sizzle, and other supersized activities. The 'Big Blade' is a brand new regional attraction to highlight Western Downs' status as the "Energy Capital of Queensland."

Donated by Tilt Renewables and GE Vernova, with transport by Qube Logistics and WR Cranes, the "Big Blade" is now available for tourists and locals to visit. More details are available on the [Western Downs Council website](https://www.western-downs.qld.gov.au/).

# Coopers Gap Wind Farm Community Enhancement Fund

We would like to extend our warmest thanks to our Local Community Investment Program Assessment Committee for the work they put into assessing the applications received for the community fund. It is through their hard work that we can continue to support some terrific initiatives. This year we received 18 applications and awarded \$117,295 in grants.

See below the initiatives we funded this year:

- Bell Presbyterian Church: Restump Cooranga North Presbyterian Church, \$40,000
- Cooranga North Rural Fire Brigade: Fire Patrol 15 - 2000l Fully equipped fire trailer, \$29,590
- Kumbia & District Memorial School of Arts Inc: Kumbia Connections Restore, Renew & Revive, \$20,000
- Bell State School: Positive Behaviour for Learning End of Year Celebration, \$8,118
- Bell State School: Outdoor Classroom - All weather and wheel-chair accessible furniture, \$4,999
- Bunya Mountains Community Association Inc: Bunya Mountains: Art of the Forest Exhibition, \$4,000
- Bell State School: Instrumental Music and Choir Program, \$3,000
- Cooranga North Recreation Reserve inc: Bannermesh, \$1,677
- QCWA: Cooranga North QCWA Branch International Night , \$1,500
- Kumbia and District Historical Society Inc: Digitization Project , \$1,500

- Regional Arts Council Dalby INC: Marella at Jimbour Hangar, \$1,500
- QCWA: Womens' Health Presentation, \$750
- Kumbia and District Historical Society Inc.: Disaster Prevention Project, \$660

Further to our Community Enhancement Fund, we were pleased to offer the below sponsorships:

- Bell Golf Club: Golf Buggy and Chairs \$10,000
- Bell Art Exhibition Prizes \$3,000
- Bunya Bell Trail Ride \$2,000

## Santa Sighting in Cooranga North

Following the Coopers Gap Wind Farm Community Consultative Committee meeting on November 21st, the community gathered for a festive Cooranga North Christmas Party!

A huge thank you to the Queensland Country Women's Association for beautifully decorating the hall and providing a fantastic spread. Santa Claus made a special appearance, delighting the kids with gifts a plenty. Tilt Renewables were proud to sponsor the event and celebrate a wonderful year with everyone!

## Tilting towards the future.

We are invested in making that happen - for our investors, communities and everyone who works with us. Like our values say: we are people powered; we get things done; and, above all, we lead. Join us as we drive the transition to renewables.
